User Guides: Teachers and Students

Instructor User Guide

Logging In

Find the login button at the bottom left of the homepage.

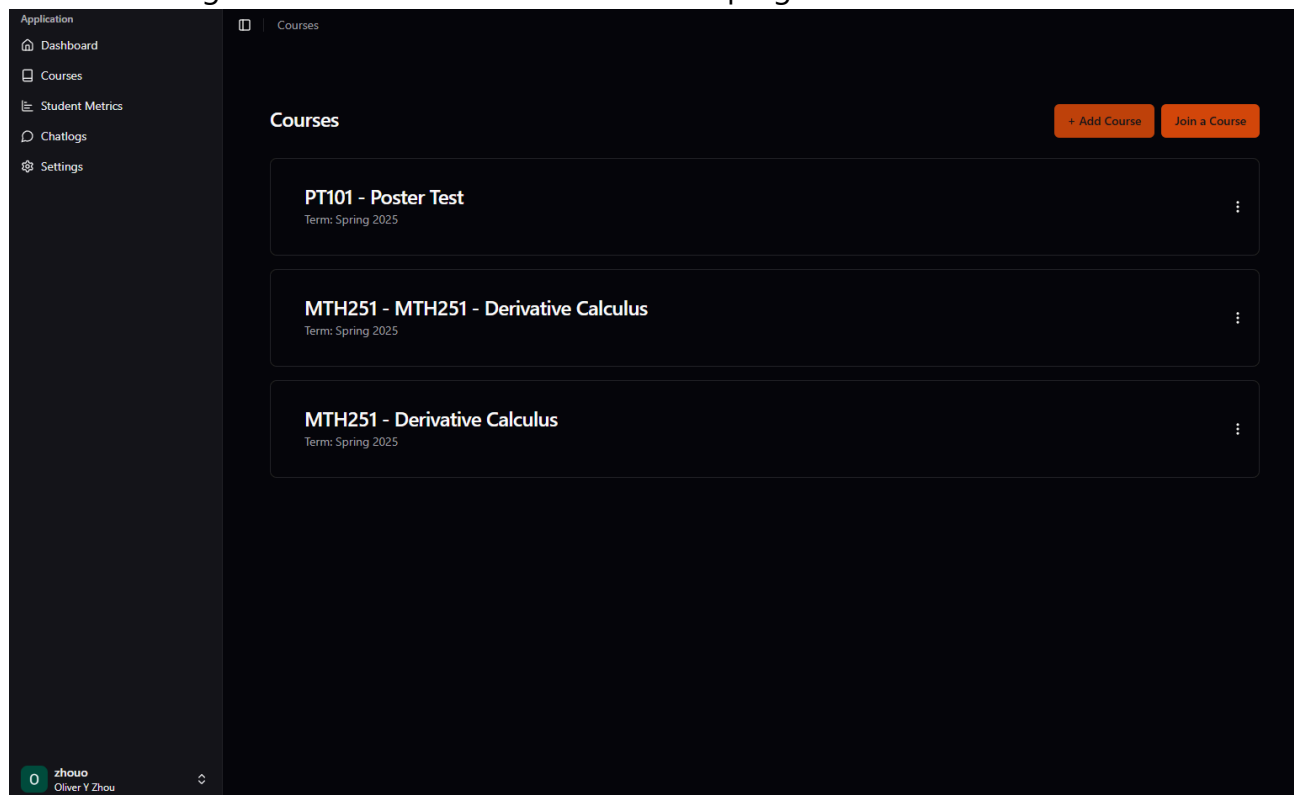

Follow the on-screen instructions to log into your account or create a new one.

Note: You must be designated as an instructor to create assignments. Please contact an administrator to receive instructor privileges.

Creating a Course

Click the orange "Create a Course" button at the top right of the dashboard.

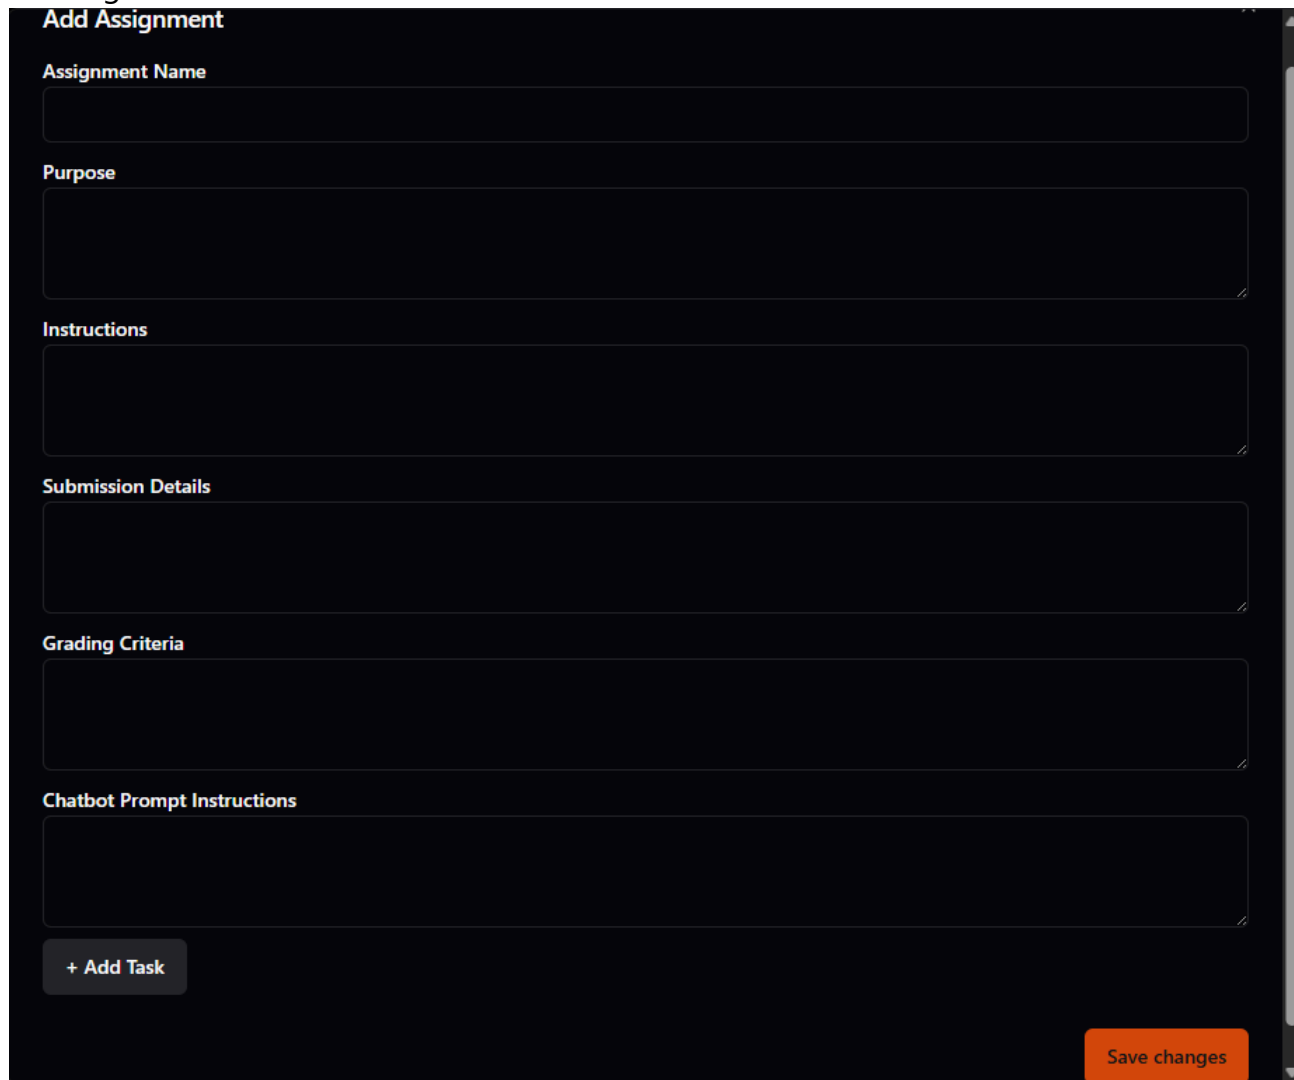

Enter the course name, term indicator, and course number. Then click "Save Changes."

A screenshot of a modal form titled 'Add Course' with a close button (X) in the top right corner. The form contains three input fields: 'Course Name', 'Term', and 'Course Number'. The 'Course Name' field is highlighted with a red border. At the bottom right of the form is an orange button labeled 'Save changes'.

After creating the course, an access code will be generated. Share this code with students to allow them to join.

Adding an Assignment

Adding an assignment requires multiple entries. Enter in the prompts in the photo attached which consist of: Assignment Name, Purpose, Instructions, Submission Details, Grading Criteria, and AI Instructions.

The screenshot shows a dark-themed web form titled "Add Assignment". It contains six text input fields, each with a label above it: "Assignment Name", "Purpose", "Instructions", "Submission Details", "Grading Criteria", and "Chatbot Prompt Instructions". Each field has a small icon in the bottom right corner. At the bottom left of the form is a button labeled "+ Add Task", and at the bottom right is an orange button labeled "Save changes".

Adding tasks

At the bottom of each assignment creation object, you can click the Add Task button to add a new task. The new task you have created can have its own name and instructions within them.

The screenshot displays a user interface for adding tasks. At the top, there's a section titled "Chatbot Prompt Instructions" with a large text input area. Below this is a button labeled "+ Add Task". Underneath the button, there are two identical task cards. Each card has a title "Task" and a close button (an 'x' in a circle). Below the title, there are two input fields: "Task Name" and "Task Description". At the bottom right of the interface, there is a button labeled "Save changes".

Student User Guide

Logging In

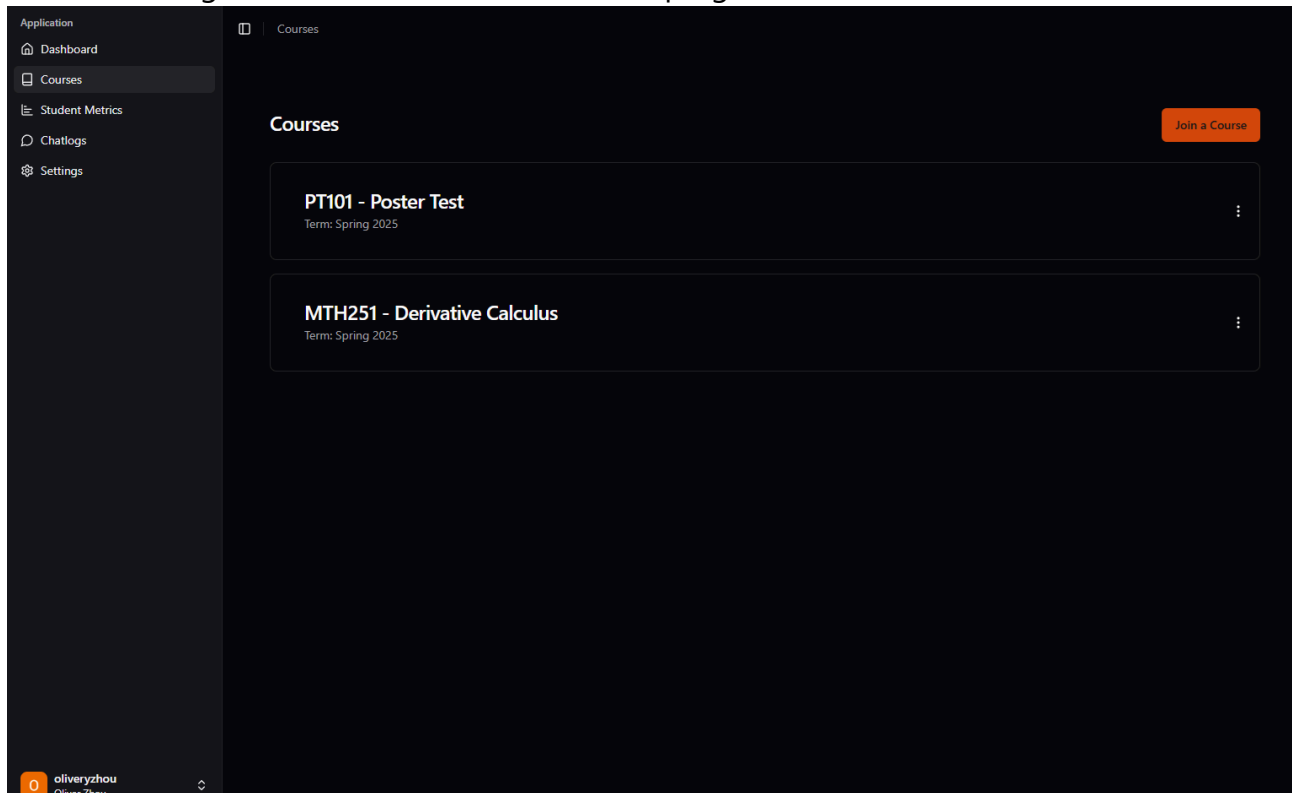

Find the login button at the bottom left of the homepage.

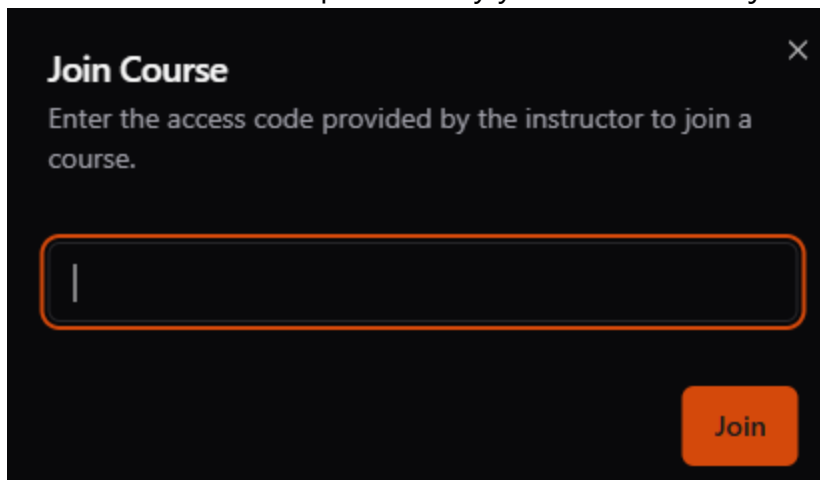

Follow the on-screen instructions to log into your account or create a new one.

Joining a Course

Click the orange "Join Course" button at the top right of the dashboard.

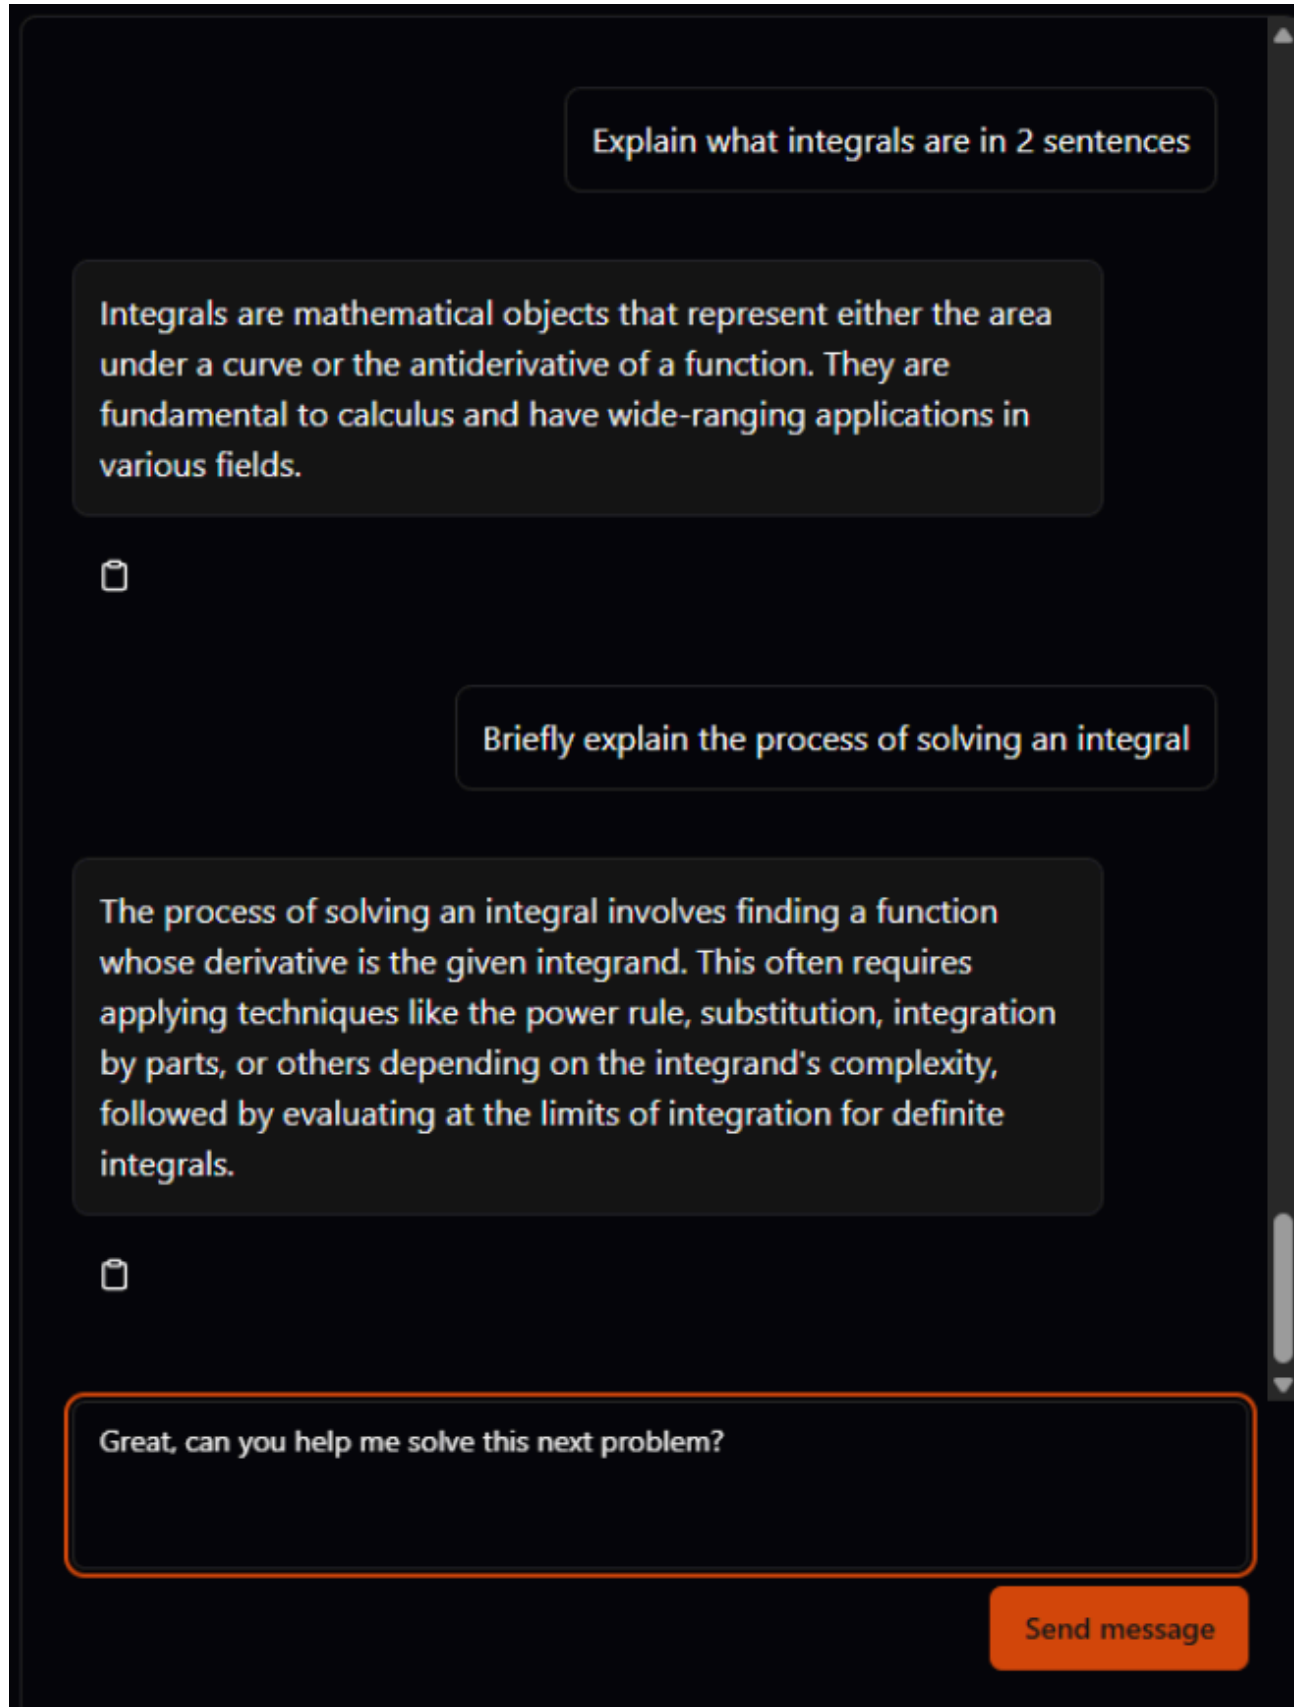

Paste the access code provided by your instructor to join the course.

Interacting with the AI Chatbot

After opening the AI chatbot via the navigation bar in the assignment page, students can speak to an AI assistance chatbot.

Enter in prompts in the text box at the bottom and submit your questions to the AI Chatbot. An automatically generated response will be output to assist.
